### Even If

*They say sometimes you win some Sometimes you lose some  
And right now, right now I'm losing bad  
I've stood on this stage night after night Reminding the broken  
it'll be alright  
But right now, oh right now I just can't  
It's easy to sing When there's nothing to bring me down  
But what will I say When I'm held to the flame  
Like I am right now  
I know You're able and I know You can  
Save through the fire with Your mighty hand  
But even if You don't My hope is You alone  
They say it only takes a little faith To move a mountain  
Well good thing A little faith is all I have, right now  
But God, when You choose  
To leave mountains unmovable  
Oh give me the strength to be able to sing  
It is well with my soul  
I know You're able and I know You can  
Save through the fire with Your mighty hand  
But even if You don't My hope is You alone  
I know the sorrow, and I know the hurt  
Would all go away if You'd just say the word  
But even if You don't My hope is You alone  
It is well with my soul  
It is well, it is well with my soul*
